• Blue Magic Suds is designed to replace other dishwash detergents by cutting out the expense of liquid dispensing systems. Pillow pack technology reduces wasteful over use of expensive liquid products. Blue Magic Suds is an excellent alternative to high cost national brands and is suitable for all your dishwash needs.

*Blue Magic Suds cuts through grease and is soft on hands. Use this excellent, high foaming, detergent for manual warewashing of dishes, pots, pans, and other kitchen and dining ware.*

## MIXING INSTRUCTIONS:
