

GLASS & SURFACE CLEANER

- Multi-Purpose
 - Windows
 - Glass
 - Mirrors
 - Hard Surfaces
 - Stainless Steel
 - Outside Window Cleaning
- Glass & Surface Cleaner is designed to be used with the 2 1/2 gallon mixing concentration tote.
- Streak free formula is designed to clean the toughest dirt and grime from glass and many hard surfaces.
 - Super concentrated to save the operator time and money.
 - Clean and fresh scent adds to the clean and sparkling shine of glass and fixtures.
 - Simply spray and wipe.
 - Drop 1 pillow pack into 3 gallons of water for outside cleaning.

Use Glass & Surface Cleaner to clean windows, glass, mirrors, stainless steel, and other hard surfaces.

TOTE INSTRUCTIONS:

- 1) Take 1 (one) Glass & Surface Cleaner quick dissolving pillow pack and place into the 2 1/2 gallon Glass & Surface Cleaner mixing tote.
- 2) Add 2 1/2 gallons of water.
- 3) Allow pillow pack to dissolve completely and product to mix well.
- 4) Fill directly from tote valve into your labeled, color coded, spray bottle. Customized color coded 24 oz. spray bottles are available at no charge. Ask your representative for complete details.
